

Science Research Institute (SRI) High School Student Application, 2009-2010

<http://www.csp.edu/Biology/SRI/SRI.html>

Program description: The Science Research Institute (SRI) is a year-long program partnering college science majors and under-represented populations of high school students with an interest in science with the purpose of developing their knowledge and skills in scientific study and research. SRI begins with a 5-week summer program during which students will learn science content taught through research modules and embark on an intense research project. During the Academic Year, students will engage in monthly science activities that develop their understanding of science, explore career opportunities, and reach out to the community. **There is no fee to participate and students will receive a cash stipend of \$500.00 upon successful completion of the entire program.**

Program dates:

Summer 2009:

July 6 – August 7, 2009 (9:00 am – 1:00 pm, M – F)

To be considered for admission to the program, students must be able to attend the **entire** specified time period.

Academic School Year 2009-2010:

Meetings will be held approximately once per month, with specific dates to be announced.

Program locations:

Concordia Univ.-St. Paul & Northwestern College, Roseville
(Participants will need to arrange for transportation)

Application deadline:

Thursday, April 30, 2009

Submit application to:

Dr. Shellie Kieke, Biology Department
Concordia University-St. Paul
275 N. Syndicate St.
St. Paul, MN 55104
651-641-8486 or kieke@csp.edu
