1. If more time is necessary beyond the 1-year limit, grant recipients must inform the Director of Human Resources as soon as practicable. Extensions may be granted on a limited basis with advance notice and approval—the maximum being three (3) months.
2. If the grant recipient chooses to alter in any way the approved development activity originally funded by the Staff Development Grant, s/he must submit a letter to the Staff Development Committee. That letter should explain the changes to the original project.

Any and all questions about the application form and administration of funds should be directed to the Director of Human Resources.

**Project completion:** Grant recipients must submit a 2-3 pp final report to the Director of Human Resources and Staff Development Committee within one (1) month of their deadline. In addition, all grant recipients are expected to present their project outcomes at appropriate venues on campus.
