Minnesota Statutes, section 124D.09, subdivision 7, requires public school students to inform the district by May 30 of each year of the pupil's intent to enroll in postsecondary courses during the following school year to assist the district in planning. A pupil is bound by notifying or not notifying the district by May 30, unless the public school district has waived the deadline as indicated in Section 2. A public school student who has not met this requirement is not eligible for PSEO funding.

Minnesota Statutes, section 124D.09, subdivision 5, requires the institution to send written notice to the student and the student's school or district. The notice must indicate the course and hours of enrollment of that pupil.

My signature indicates that the student identified in Section 1 is registered this term for the courses indicated above, all courses are nonsectarian in content and are not remedial or developmental. Tenth grade students during their first semester of PSEO participation may take only one Career or Technical Education (CTE) course. The student has indicated to me the courses are to be taken for secondary credit and fulfill the student's high school graduation requirements.
