Human Resources Advisor July 2021

Cassidy's Comments

Can you believe the Independence Day holiday has come and gone? The 4th of July consistently seems to stamp the beginning of the end of summer. School will be starting up in no time and we are excited to see our student's back on-campus! More information about our Fall Kickoff/Service Anniversary will be coming soon.

As of July 1, 2021, the minimum wage in St. Paul increased to \$12.50/hr. This means student employees will, at a minimum, earn \$12.50/hr. Please note that even though the rate increased, this does not mean that there is an increase in budget. We need to work more efficiently with the resources we have while complying with this new standard!
