1Students may receive general education, prerequisite, or major credit depending on which math course is selected. If a student selects MATH 1762 they will receive credit for MAT 125. If a student selects MATH 2749 they will receive credit for MAT 135. If a student selects MATH 1740 they will receive credit for MAT 110. If a student completes MAT 125 or MAT 135 they will still be required to take MAT 110 at CSP. If a student completes MAT 110 they will still be required to complete MAT 125 or MAT 135 at CSP.

2Students may receive general education credit depending on which courses are selected. Credit awarding will be evaluated on an individual basis.

3BIOL 2750 is one of several course options in the Biology Transfer Pathway AS at Saint Paul College. If students do not select BIOL 2750, they will be required to complete BIO 300 at CSP.

Transfer Policies:

- An overall GPA of 2.0 or higher and major GPA of 2.0 or higher is required. (Unless the course applies toward the major, all transfer credit is accepted with a grade of Pass 'P' and does not impact your CSP GPA.)
- A minimum of 120 credits is required to earn a bachelor's degree from CSP. A minimum of 30 credits must be successfully completed at CSP and a maximum of 90 credits will be accepted in transfer.
- A minimum of half of the major credit requirements must be successfully completed at CSP.
- Completion of the full MN Transfer Curriculum will fulfill all general education credits at CSP, with the exception of Theology
- Students may have additional credits earned from attendance at other schools, please be sure to submit all transcripts.
- The courses listed above are current as of the corresponding Academic Calendar Course requirements are subject to change.
- Please contact the Concordia University Office of Admissions for the most up to date information.
