¹BIO 120 will also fulfill the Natural Science General Education area at CSP.

²CSP recommends students select BIOL 2207 at Normandale as Cell Biology is required at CSP. Students who select BIOL 2206 or BIOL 2208 will still need to complete BIO 330 at CSP.

³MAT 110 will also fulfill the Mathematics General Education area at CSP.

⁴If the full goal area is not complete, verify with CSP that the chosen course in each goal area will satisfy the indicated general education area. CSP cannot guarantee course transfer if the full goal area is not complete. Students who are not goal area complete and select courses not approved as a general education course at CSP may have additional credit requirements to complete at CSP.

⁵CSP recommends students select MATH 1500 or MATH 1510 at Normandale as either Precalculus or Calculus I are required for the BS Biology Major at CSP. Students who do not select MATH 1500 or MATH 1510 will be required to take either MAT 125 or MAT 135 at CSP.
