<sup>1</sup>CSP recommends students do not select COMM 1041 as Small Group Communication does not count toward the Communications General Education Area at CSP. Students who take COMM 1041 may be required to take an additional communication course at CSP. This will increase the minimum total credits to complete at CSP.

<sup>2</sup>CSP recommends students select MATH 1081 as one of their math courses at Century as it will count towards the MAT 135 requirement for the BS Biochemistry. Students who do not take MATH 1081 at Century will be required to take MAT 135 at CSP.

<sup>3</sup>BIO 120 will also fulfill the Natural Science general education area at CSP.

<sup>4</sup>If the full goal area is not complete, verify with CSP that the chosen course in each goal area will satisfy the indicated general education area. CSP cannot guarantee course transfer if the full goal area is not complete. Students who are not goal area complete and select courses not approved as a general education course at CSP may have additional credit requirements to complete at CSP.
