¹CSP recommends students not select COMM 1041 as Small Group Communication will not count towards General Education at CSP. Students who select COMM 1041 will have additional credit requirements to complete at CSP.

²If the full goal area is not complete, verify with CSP that the chosen course in each goal area will satisfy the indicated general education area. CSP cannot guarantee course transfer if the full goal area is not complete. Students who are not goal area complete and select courses not approved as a general education course at CSP may have additional credit requirements to complete at CSP.
