CONCORDIA UNIVERSITY, ST. PAUL

DUAL ENROLLMENT OPTION (MS) ORTHOTICS & PROSTHETICS

CSP CONCORDIA ST. PAUL

OVERVIEW

The dual enrollment option allows you to complete the Century College Orthotic and Prosthetic Clinical Applications Advanced Certificate coursework (OPCA 2000-level courses) and Concordia MSOP coursework simultaneously within two years. Century College and Concordia University, St. Paul are partnering to offer this opportunity to high performing students.

Timeline:

Year 1: Century College 2000-level courses (daytime) and online MSOP courses at CSP

Year 2: Finish online MSOP courses and attend 3 one-week intensives at Century

ELIGIBILITY REQUIREMENTS

- Possess a bachelor's degree with a minimum 3.0 cumulative GPA
- Earn a C or higher in each of the following prerequisites:
  - Human Anatomy & Physiology
  - Biology
  - Physics
  - Chemistry
  - Psychology
  - Statistics

FINANCIAL AID INFORMATION

If you are concurrently enrolled in the MSOP and OPCA programs, the following conditions will apply:

- Concordia University, St. Paul will be your home school and Century College will consider you a visiting student. Visiting students are not eligible for financial aid. Note: Students may be eligible to receive a refund check from CSP dependent on their financial aid status, which could then be utilized to pay tuition at Century College.
- You will apply for FAFSA as a graduate student at Concordia University (Code: 002347). Please visit our webpage at **https://www.csp.edu/tuition-and-financial-aid/graduate-tuition-aid/**
